- 100% Web-based – No software to install – accessible from anywhere
- Internal motion sensor extends battery life
- Small. Fast. Wireless. Unlimited Possibilities!

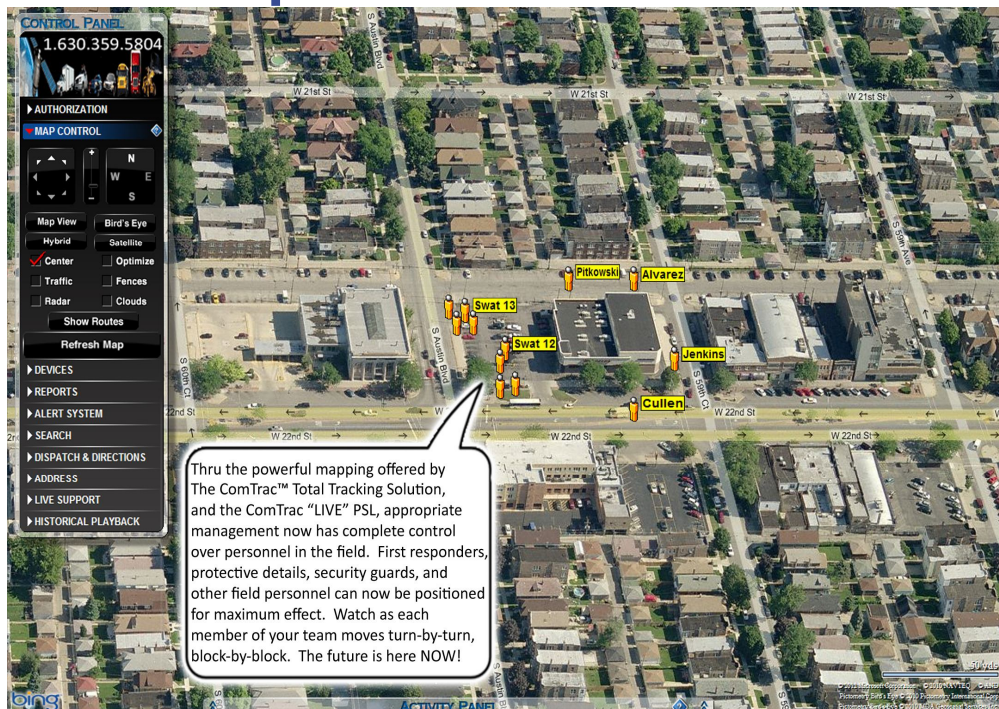

Manage Emergency Personnel at the speed of **LIVE.**

Personnel tracking has changed at the most fundamental of levels. In a word, the technology has evolved. Welcome to the next-generation in personal GPS tracking designed for responder, security, and protection personnel. EasyTracGPS delivers LIVE results, right NOW...not X minutes ago.

With EasyTracGPS' ComTracLIVE "PSL" Series, watch your team move turn-by-turn, and monitor their deployment & position in the field. Every movement is recorded, and can be played back up to 90 days later.

This isn't a 2-minute tracking update. It's not a 1-minute update. Not even a 30-second update.

It's truly LIVE, and SIMPLY BRILLIANT!

Worldwide flat-rate, unlimited use service for just \$39.95 per month
