# Prevent Loss with TextAlert

Protect Assets • Maintain Peace of Mind • Save Time

## RELIABLE – A Watchman in a Box

TextAlert provides 24/7 protection—monitoring power loss, motion and out-of-range temperatures

## RUGGED – Rugged Enough for the Real-World

The self-contained unit is built toolbox-tough to go where you need it and stay on the job—for a day, a month or years

## SIMPLE – Hang it up. Plug it in. Walk Away.

Hang the device on a nail, plug it in, turn it on, send a text message and you're done

## FLEXIBLE – Text Messaging from Anywhere to Anywhere

Move it where you need it and plug it in

## COST-EFFECTIVE

24/7 monitoring for less than pennies per day

### TextAlert is a Scalable Platform:

- Cloud Monitoring
- Industrial Sensors
- We can accommodate your monitoring needs

**Power Alert**  
**Temperature Alert**  
**Motion Alert**
